Lodging: Room Block Information: Hotel Shattuck

If you are anticipating attending the WSRD SSG Workshop in Berkeley on January 17-18, the Hotel Shattuck has opened up a room block for us at $120 per night. (They anticipate that the new government rate will be $120 in 2012.) The Shattuck is adjacent to the Berkeley Wireless Research Center where the workshop will be held and is close to the BART system. This would eliminate the need for a rental car if that is not in your budget. We anticipate that any workshop related receptions or dinners will be held at the Hotel Shattuck as well. **Please reserve your room in advance, the room block closes on December 15.**
